SILHOUETTE

Dismissing Pollyanna's hand
we outline
a splash of time we share
our silhouette
with a mixture of extreme
colors — a year defined
"for good or for evil
on the superlative degree
of comparison
only"

SILHOUETTE 73

Agnes Scott College Decatur, Georgia Volume LXX

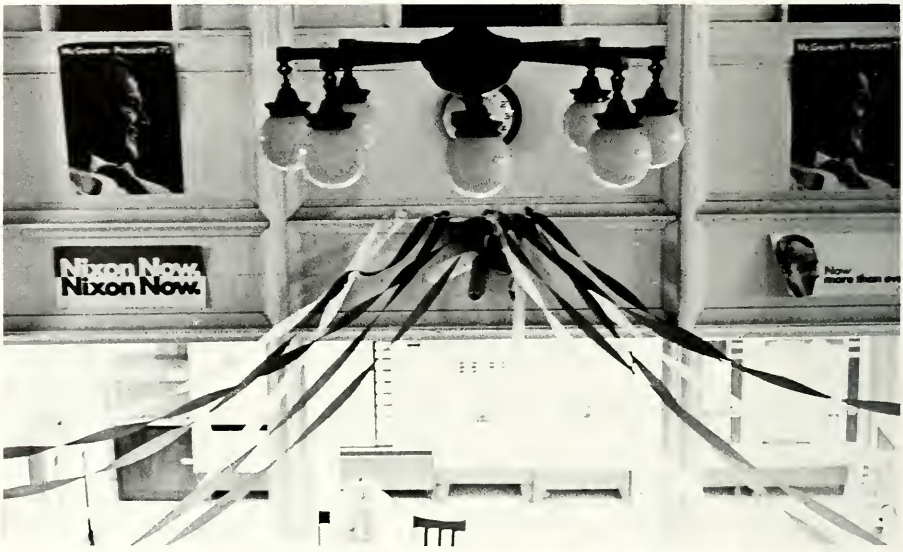
it was the age of wisdom,

Sir John Rothenstein — visiting professor in art history.

it was the age of foolishness,

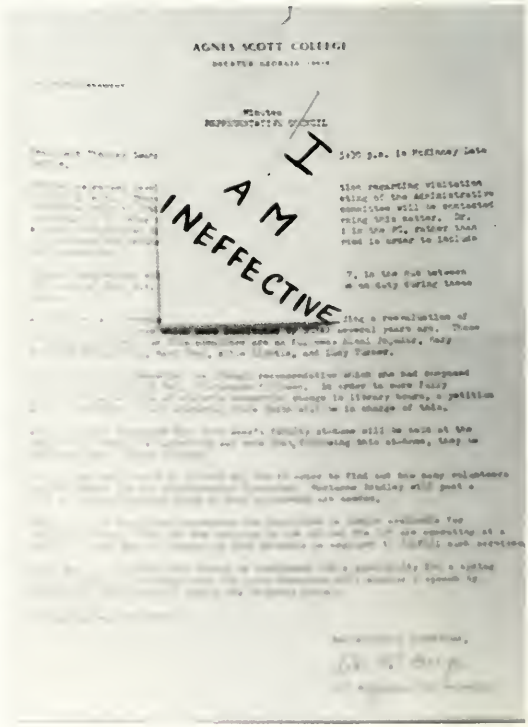
Black Cat.

it was the epoch
of belief,



it was the epoch of
incredibility,

1972 Olympics, Munich.



it was the season of Light,

The Atlanta Environmental Symposium — a pertinent united effort of community citizens and students, consisting of the earth's limitations in diverse fields, organized by Mr. Robert Leslie and Mr. David Orr, and based on the contemporary Limits to Growth.

it was the season of Darkness

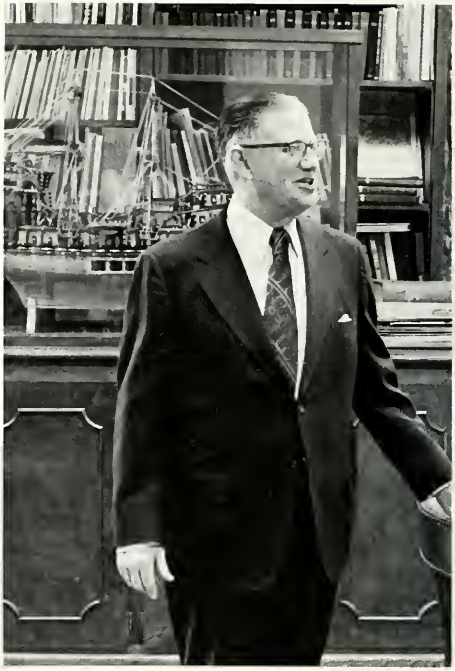
it was the spring of hope,

it was the winter of despair,

we had everything before us,

we had nothing before us,

it was the worst of times,



It was the best of times. Wallace M. Alston, President 1951-1973.
